Overlaid on this drawing are several drafting tools: a large blue T-square at the top, a yellow set square in the center, a red compass, and a hand holding a purple pencil on the right side. A calculator is visible in the bottom left corner. A large light blue semi-circle at the bottom contains the company name and pricing information.

A stylized, 3D-rendered building icon is positioned above the company name. It has a teal, grid-like facade and a white, curved roofline. The building is set against a light blue semi-circular background that also contains the text.
